Building Drainage System Repair Subsidy Scheme
Announcement to Minor Works Contractor - Class 2 for registration

Subsequent to our mass briefing held on 27 April 2021, the participating Minor Works Contractor - Class 2 (“MWC2”) was briefed the details of e-tendering platform (“ET”). You are cordially invited to register in the ET **starting from 28 April 2021 (Wednesday)** and you are eligible to participate the tendering projects onwards.

For those who are already on-list in the registry of MWC2 under the Buildings Department, you are eligible to register to ET and to participate the projects which are going to procure the works contractor under Building Drainage System Repair Subsidy Scheme. No matter which form of your company is established either by limited or unlimited nature, the registration by MWC2 in name of the company instead of individual basis is allowed.

If you would like to learn more about the details, please visit the “Access to Information” under the homepage of ET by clicking the following hyperlink:
